Chief Executive Officer Report

TO:	**The Texas A&M System Board of Regents**
FROM:	Robert Bishop, Chief Executive Officer
DATE:	October 31, 2025
RE:	Chief Executive Officer Reporting Requirements under Tex. Educ. Code § 51.253(c)

Under the Texas Education Code (TEC), Section 51.253(c), the institution's Chief Executive Officer is required to submit a report at least once during each fall or spring semester to the institution's governing body and post on the institution's internet website a report concerning the reports received by employees under the TEC, Section 51.252, concerning "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the TEC, Section 51.251, and any disciplinary actions taken under TEC, Section 51.255.

For the purposes of complying with the Chief Executive Officer's reporting requirements under TEC, Section 51.253(c), the attached summary data report[1] includes all of the required reporting information to **The Texas A&M University System Board of Regents** for the time period of **September 1, 2024** through **August 31, 2025**. The summary data report is categorized based on the reporting requirements under TEC, Section 51.253(c). The reports received may be applicable in multiple reporting categories, and therefore, the summary data in the categories may not add up to the totals of other categories.

The summary data report is also posted on the institution's website as per the public reporting requirements under TEC, Section 51.253(c) at **https://tees.tamu.edu/reporting/statutory-required-reports.html**.

Note: Any additional reports received by the Title IX Coordinator that do not meet the required reporting criteria in the Texas Education Code have been omitted for the compliance purposes of this specific report.

[1] When identifiable, duplicate reports were consolidated and counted as one report in the summary data, and confidential employee reporting is noted as a sub-set to the total number of reports received.

[3] Reasons for not investigating could include: the complaint describes an incident that took place before the complainant was a student or employee in the A&M System, e.g. incidents that occurred in middle school or high school, or at another institution/agency; the complaint is submitted anonymously and critical information needed to investigate the complaint is not available; the complainant specifically asks that no investigation be pursued or does not respond to outreach; the case is resolved through informal resolution in lieu of a formal investigation; or the complaint is duplicate to another report.

[4] "Disposition" means "final result under the institution's disciplinary process" as defined in the Texas Higher Education Coordinating Board's (THECB) rules for TEC, Section 51.259 [See 19 Texas Administrative Code, Section 3.6(3) (2019)]; therefore, pending disciplinary processes will not be listed until the final result is rendered.
