Each Party represents and warrants that it has full right, power and authority to enter into and perform its obligations under this Agreement, and that the person signing this Agreement is duly authorized to enter into this Agreement on its behalf.

1. VENDOR REQUIREMENTS

- 1.1 Vendors must comply with all rules, regulations and statutes relating to purchasing in the State of Texas in addition to the requirements of the Agency.
- 1.2 Pricing must be quoted on a "per unit" basis, extended as indicated. Any trade discounts included must be itemized and deducted from extended prices. Unit Prices shall govern in the event of extension errors. Vendor guarantees product or service offered will meet or exceed specifications included.
- 1.3 Purchases should be "F.O.B. destination, freight prepaid and allowed." If vendor quotes freight differently, the order should specify the exact delivery cost and who bears it if not included in the unit price.
- 1.4 Bid prices are requested to be firm for a minimum of 60 days after bid opening date. "Discount from list" bids are not acceptable unless requested. Cash discount will not be considered in determining the low bid. All cash discounts will be taken if earned.
- 1.5 Purchases made for the Agency use are exempt from the State Sales tax and Federal Excise tax. Excise Tax Exemption Certificate will be furnished by the Agency upon request.
- 1.6 The Agency reserves the right to accept or reject all or any part of any offer, waive minor technicalities and issue the purchase order to the vendor that best serves the interests of the State.
- 1.7 Consistent and continued tie offers could cause rejection of offers by the Agency and/or investigation for antitrust violations.
- 1.8 Bids should be submitted electronically via the AggieBuy e-procurement platform, or as otherwise instructed. Late bids will not be considered under any circumstances. As a Vendor responding to this invitation for bid, upon submission of your response, regardless of the format of your submission, you and the entity you represent are agreeing to the Terms and Conditions of Bid ("Terms and Conditions") presented herein. Bid may not be altered or amended after opening time.
- 1.9 **TEXAS BIDDER AFFIRMATION.** Vendor certifies that if a Texas address is shown as the address of the Vendor on this Response, Vendor qualifies as a Texas Bidder as defined in Section 2155.444(c) of the Texas Government Code.
- 1.10 **VENDOR AFFIRMATION**
By submitting this bid or accepting this purchase order, the vendor affirms any false statement is a material breach of contract and shall void the submitted bid/quote or any resulting contracts, and the vendor shall be removed from all bid lists. By signature hereon affixed, the vendor hereby certifies that:
The vendor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted bid.
The vendor is not currently delinquent in the payment of any franchise tax owed the State of Texas.
Pursuant to Section 2155.004 Government Code, relating to collection of state and local sales and use taxes, the vendor certifies that the individual or business entity named in this order is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and/or payment withheld if this certification is inaccurate.
- 1.11 **PRODUCTS AND MATERIALS PRODUCED IN TEXAS (BUY TEXAS AFFIRMATION).** Vendor agrees that in accordance with Section 2155.4441, Texas Government Code, in performing its duties and obligations under this Agreement, Vendor will purchase products and materials produced in Texas when such products and materials are available at a price and time comparable to products and materials produced outside of Texas.
- 1.12 **FALSE STATEMENTS.** Respondent represents and warrants that all statements and information prepared and submitted in this document are current, complete, true, and accurate. Submitting a Response with a false statement or material misrepresentations made during the performance of a contract is a material breach of contract and may void the submitted Response and any resulting contract.
- 1.13 **SIGNATURE AUTHORITY.** By submitting a bid response/quote, Vendor represents and warrants that the individual submitting this document and the documents made part of this Response is authorized to sign such documents on behalf of the Vendor and to bind the Vendor under any contract that may result from the submission of this Response.
- 1.14 **REPRESENTATIONS & WARRANTIES.** If Vendor is a business entity, Vendor warrants, represents, covenants, and agrees that it is duly organized, validly existing and in good standing under the laws of the state of its incorporation or organization and is duly authorized and in good standing to conduct business in the State of Texas, that it has all necessary power and has received all necessary approvals to execute and deliver this Agreement, and the individual executing this Agreement on behalf of Vendor has been duly authorized to act for and bind Vendor.
- 1.15 **NOTE TO VENDORS.** Any terms and conditions attached to a quote will not be considered unless the vendor specifically refers to them in the quote. WARNING: Such terms and conditions may result in disqualification of the quote, (e.g. quotes with the laws of a State other than Texas, requirements for prepayment, limitations on remedies, etc.)
- 1.16 **CONFLICT OF INTEREST.** Vendor certifies, to the best of their knowledge and belief, that no member of the A&M SYSTEM Board of Regents, nor any employee of Agency or TEXAS A&M, has a direct or indirect financial interest in Vendor or in the transaction that is the subject of the Agreement.

- 1.17 **PRIOR EMPLOYMENT.** Vendor acknowledges that Section 2252.901, Texas Government Code, prohibits TEXAS A&M from using state appropriated funds to enter into an employment contract, a professional services contract under Chapter 2254, or a consulting services contract under Chapter 2254 with an individual who has been previously employed by TEXAS A&M during the twelve (12) month period immediately prior to the effective date of the Agreement. If Vendor is an individual, by signing this Agreement, Vendor represents and warrants that it is not a former or retired employee of TEXAS A&M that was employed by TEXAS A&M during the twelve (12) month period immediately prior to the effective date of the Agreement.
- 1.18 **NOT ELIGIBLE FOR REHIRE.** Vendor is responsible for ensuring that its employees involved in any work being performed for Agency under this Agreement have not been designated as “Not Eligible for Rehire” as defined in A&M System policy 32.02, Discipline and Dismissal of Employees, Section 4 (“NEFR Employee”). In the event Agency becomes aware that Vendor has a NEFR Employee involved in any work being performed under this Agreement, Agency will have the sole right to demand removal of such NEFR Employee from work being performed under this Agreement. Non-conformance to this requirement may be grounds for termination of this Agreement by Agency.
- 1.19 **VENDOR ASSIGNMENTS.** Supplier hereby assigns to Agency and all claims for overcharges associated with this contract which arise under the antitrust laws of the United States 15 U.S.C.A. Section 1, et seq. (1973), and which arise under the antitrust laws of the State of Texas, TEX. Bus. & Comm. Code Ann. Sec. 15.01, et seq. (1967).
- 1.20 **ANTITRUST AFFIRMATION.** Respondent represents and warrants that, in accordance with Section 2155.005 of the Texas Government Code, neither Respondent nor the firm, corporation, partnership, or institution represented by Respondent, or anyone acting for such a firm, corporation or institution has (1) violated any provision of the Texas Free Enterprise and Antitrust Act of 1983, Chapter 15 of the Texas Business and Commerce Code, or the federal antitrust laws, or (2) communicated directly or indirectly the contents of this Response to any competitor or any other person engaged in the same line of business as Respondent.

If Respondent employs or has used the services of a former executive of Agency, then Respondent shall provide the following information in the Response.

2. SPECIFICATIONS

- 2.1 Any catalogue, brand name or manufacturer's reference used in the Invitation for Bid is descriptive only, not restrictive, and is used to indicate type and quality desired. Bids on brands of like nature and quality will be considered unless otherwise specified. If bidding on other than reference, bid should show manufacturer, brand or trade name, and other description of the product offered. If other than brand(s) specified is offered, illustrations and complete description of product offered are requested to be made part of the bid. If Vendor takes an exception to specifications or reference data in his or her bid, Vendor will be required to furnish brand names, numbers, etc., as specified in the Invitation for Bid (IFB).
- 2.2 All items shall be new and unused, including containers suitable for shipment and storage, unless otherwise indicated in IFB/PO. Oral agreements to the contrary will not be recognized.
- 2.3 All electrical items must meet all applicable OSHA standards and regulations, and bear the appropriate listing from UL, FMRC or NEMA.
- 2.4 The Agency will not be bound by any oral statement or representation contrary to the terms and conditions of this purchase.
- 2.5 Manufacturer's standard warranty shall apply unless otherwise stated.

3. DELIVERY

- 3.1 Bid/quotes should show number of days required to place material in receiving agency's designated location under normal conditions. Failure to state delivery time obligates Vendor to complete delivery in 14 calendar days. Unrealistically short or long delivery promises may cause bid to be disregarded.
- 3.2 If delay is foreseen, vendor shall give written notice to the Agency. The Agency has the right to extend delivery date if reasons appear valid. Default in promised delivery (without accepted reasons) or failure to meet specifications authorizes the Agency to purchase supplies elsewhere and charge full increase, if any, in cost and handling to defaulting vendor.
- 3.3 No substitutions or cancellation permitted without written approval of the Agency's Purchasing Department.
- 3.4 Delivery shall be made during normal working hours only, unless prior approval for late delivery has been obtained from the Agency.

- 4. INSPECTION AND TESTS.** All goods will be subject to inspection and test by the Agency to the extent practicable at all times and places. Authorized Agency personnel shall have access to any vendor's place of business for the purpose of inspecting merchandise. Tests shall be performed on samples submitted or on samples taken from regular shipment. In the event products tested fail to meet or exceed all conditions and requirements of the specifications, the cost of the sample used and the cost of the testing shall be borne by the vendor. Goods which have been delivered and rejected in whole or in part may, at the Agency's option, be returned to the vendor or held for disposition at vendor's risk and expense. Latent defects may result in revocation of acceptance. All returns should be processed via direct deposit or check returned to the Agency.

5. **AWARD OF CONTRACT.** A response to an Invitation for Bid is an offer to contract with the Agency based upon the terms, conditions and specifications contained herein. Offers do not become contracts until they are accepted and an authorized purchase order is issued. The substantive laws of the State of Texas (and not its conflicts of law principles), USA, govern all matters arising out of or relating to this Agreement and all of the transactions it contemplates. Pursuant to Section 85.18 (b), Texas Education Code, venue for a state court suit filed against any member of The Texas A&M University System, or any officer or employee of The Texas A&M University System is in the county in which the primary office of the chief executive officer of the system or member, as applicable, is located. At execution of this Agreement, such county is Brazos County, Texas. Venue for any suit brought against The Texas A&M University System in federal court must be in the Houston Division of the Southern District of Texas.
6. **PAYMENT**
- 6.1 All invoices shall be itemized, showing order number and agency purchase order number. Payment will be made upon approval of a valid, uncontested invoice within 30 days of final performance acceptance or invoice submission.
- 6.2 All payments, to the maximum extent practical, shall be made by electronic direct deposit. Vendor should ensure they have completed the direct deposit section of the vendor setup process.
- 6.3 **PROMPT PAYMENT.** Agency's payment shall be made in accordance with Chapter 2251, Texas Government Code ("the Texas Prompt Payment Act"), which shall govern remittance of payment and remedies for late payment and non-payment.
- 6.4 **PAYMENT OF DEBT OR DELINQUENCY TO THE STATE.** Pursuant to Sections 2107.008 and 2252.903, Texas Government Code, Vendor agrees that any payments owed to Vendor under this Agreement may be applied directly toward certain debts or delinquencies that Vendor owes the State of Texas or any agency of the State of Texas regardless of when they arise, until such debts or delinquencies are paid in full.
- 6.5 **PAYMENT CARD INDUSTRY (PCI) COMPLIANCE.** For purposes of this Agreement, "PCI DSS" means the most current version of the Payment Card Industry Data Security Standard administered by the Payment Card Industry Security Standards Council. Vendor acknowledges and agrees that it is responsible for the security of cardholder data it possesses or otherwise stores, processes or transmits on behalf of Agency, or to the extent that Vendor could impact the security of the cardholder data environment. Vendor represents and warrants that, as of the Effective Date of this Agreement, it has complied with all PCI DSS requirements and has performed the necessary steps to validate its compliance with PCI DSS. Vendor shall maintain such compliance for the Term of this Agreement and send documentation of its most recent validation of compliance to Agency annually during the Term of this Agreement. In the event that Vendor learns that it is no longer PCI DSS compliant, Vendor will notify Agency within two (2) business days of discovery and immediately remediate such non-compliance. Vendor acknowledges that unauthorized access to the cardholder data environment (a "cardholder data breach") resulting from a lapse in Vendor's security obligations is grounds for early termination of this Agreement, without penalty and with immediate effect, at Agency's discretion. Vendor agrees to comply with all laws, rules, and regulations applicable to cardholder data services, including without limitation, those laws requiring notification of individuals in the event of a cardholder data breach. Vendor agrees to indemnify and hold harmless Agency from and against any third-party claims, damages, or other harm related
7. **COMPLIANCE WITH LAWS**
Each Party hereto shall comply with all federal, state, and local laws, rules, and regulations applicable to the performance of its obligations under this Agreement.
8. **INDEMNIFICATION**
Vendor shall indemnify and hold harmless TEXAS A&M, Agency, and their regents, employees and agents (collectively, the "A&M System Indemnitees") from and against any third-party claims, damages, liabilities, expense or loss asserted against A&M System Indemnitees arising out of any acts or omissions of Vendor or its employees or agents pertaining to the activities and obligations under this Agreement, except to the extent such liability, loss or damage arises from an A&M System Indemnitee's gross negligence or willful misconduct.
9. **CONFIDENTIALITY**
If applicable, the Parties anticipate that under this Agreement it may be necessary for a Party (the "Disclosing Party") to transfer information of a confidential nature ("Confidential Information") to the other Party (the "Receiving Party"). The Disclosing Party shall clearly identify Confidential Information at the time of disclosure by (a) appropriate stamp or markings on the document exchanged, or (b) written notice, with attached listings of all material, copies of all documents, and complete summaries of all oral disclosures (under prior assertion of the confidential nature of the same) to which each notice relates, delivered within thirty (30) days of the disclosure to the other party. "Confidential Information" does not include information that: (a) is or becomes publicly known or available other than as a result of a breach of this Agreement by the Receiving Party; (b) was already in the possession of the Receiving Party as the result of disclosure by an individual or entity that was not then obligated to keep that information confidential; (c) the Disclosing Party had disclosed or discloses to an individual or entity without confidentiality restrictions; or (d) the Receiving Party had developed or develops independently before or after the Disclosing Party discloses equivalent information to the Receiving Party. The Receiving Party shall use the same reasonable efforts to protect the Disclosing Party's Confidential Information as it uses to protect its own confidential information of a similar nature. The Receiving Party may only disclose Confidential Information to its personnel having a need to know the Confidential Information to fulfill the Receiving Party's obligations under this Agreement. The Receiving Party may not reproduce, disclose, or use Confidential Information except in performing its obligations under this Agreement. If the Receiving Party is legally required to disclose Confidential Information, the Receiving Party shall, to the extent allowed by law, promptly give the Disclosing Party written notice of the requirement so as to provide the Disclosing Party a reasonable opportunity to pursue appropriate process to prevent or limit the disclosure. If the Receiving Party complies with the terms of this Section, disclosure of that portion of the Confidential Information, which the Receiving Party is legally required to disclose, will not constitute a breach of this Agreement. The Receiving Party shall, upon request of the Disclosing Party, promptly return or destroy all materials embodying Confidential Information other than materials in electronic backup systems or otherwise not reasonably capable of being readily located and segregated without undue burden or expense, except that the Receiving Party may securely retain one (1) copy in its files solely for record purposes. The Receiving Party's obligations as to Confidential Information will survive the termination or expiration of this Agreement for a period of three (3) years.

Vendor shall submit written notice of a claim of breach of contract under this Chapter to the Risk & Compliance Officer, who shall examine Vendors's claim and any counterclaim and negotiate with Vendor in an effort to resolve the claim. 19.4 REFUND OF DEPOSIT/PREPAYMENT. In the event this Agreement is canceled and/or terminated by Vendor for reason not attributable to Agency or if canceled and/or terminated by Agency for default of performance by Vendor, then within thirty (30) days after cancellation and/or termination, Vendor will reimburse Agency for all advance payments paid by Agency to Vendor that were (a) not earned by Vendor prior to cancellation and/or termination, or (b) for goods or services that the Agency did not receive from Vendor prior to cancellation and/or termination.

19.5 LOSS OF FUNDING. Performance by Agency under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the "Legislature"). If the Legislature fails to appropriate or allot the necessary funds, Agency will issue written notice to Vendor and Agency may terminate this Agreement without further duty or obligation hereunder. Vendor acknowledges that appropriation of funds is beyond the control of Agency. In the event of a termination or cancellation under this Section, Agency will not be liable to Vendor for any damages that are caused or associated with such termination or cancellation.

20. SEVERABILITY. In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions hereof, and this Agreement shall be construed as if such invalid, illegal, and unenforceable provision had never been contained herein.
