NSF Grants Conference to Be Held in Portland, Oregon

The next National Science Foundation Grants Conference will be hosted by Portland State University in Portland, OR, on February 29 - March 1, 2016.

Key officials representing each NSF program directorate, administrative office, Office of General Counsel, and Office of the Inspector General will participate in this two-day conference. The conference is considered a must, particularly for new faculty, researchers, educators and administrators who want to gain insight into a wide range of important and timely issues at NSF including: the state of current funding; the proposal and award process; and current and recently updated policies and procedures.

Topics covered include:

- Introduction to NSF;
- NSF's proposal preparation and merit review process;
- Award management;
- Conflict of interest policies;
- New programs and initiatives;
- Cross-disciplinary and special interest programs; and
- Breakout sessions by discipline.

For additional information regarding program content, contact the Policy Office, Division of Institution and Award Support at (703) 292-8243, or via e-mail at policy@nsf.gov.

To be notified once registration is available, sign up on the Grants Conference notification site.

Prepared by TEES Research Development under the auspices of the Associate Agency Director for Strategic Initiatives and Centers. For questions, email researchnews@tees.tamus.edu.
