

FAMIS would like to announce that PCT's and the Net Funding Calculator are now available in Canopy. You may find videos for using these products here:

<http://it.tamus.edu/famis/documents/workday-documentation/>

The screenshot shows the top navigation bar of the FAMIS Services website. The header includes the logo for THE TEXAS A&M UNIVERSITY SYSTEM and the title 'FAMIS Services'. A search bar is located in the top right corner. Below the header is a navigation menu with links for HOME, CONTACTS, DOCUMENTATION, REQUEST / FORMS, UPDATES, PRODUCTION, and SECURITY. The main content area is titled 'Workday Documentation' and includes a breadcrumb trail: Home - Documentation - Workday Documentation. The text describes FAMIS as an accounting system and mentions that related documents will be published on this site. There are links for 'Workday Project Task Timeline' and 'FAMIS Workday Screens (DRAFT)'. A section titled 'Workday Training Videos' provides information about the videos and lists several training sessions. A blue arrow points to the 'Workday Impact Training' link. On the right side, there is a search bar and a 'More Information' section with a list of related topics: FAMIS Documentation, Workday Documentation, User Guides, and FAMIS Connection.

Workday Documentation

FAMIS is an accounting system that responds to financial regulations applicable to educational institutions, in particular to the members of The Texas A&M University System (TAMUS). FAMIS/Workday related documents will be published to this site, providing timelines and Screen documentation for the project.
